

MICRO 18 CLASS

IMCCA MEETING 2021

REPORT OF THE CHIEF MEASURER 2021

MICRO 18 CLASS

IMCCA MEETING 2021

REPORT OF THE CHIEF MEASURER 2021

1. State of the class rules development (wording)

There is since 2020, neither further development nor further communication with word sailing.

Two amendments, (delete: sink, storage) to the class rules, was sent to world sailing on May 2021.

2. Projects / Nominations

a) POL 290 and POL 123, Flyer Proto II, got a first IMCCA Micro Measurement Certificate.

b) The Italian Micro Class nominated a new national measurer:
Andrea Patacca, email: planante@inwind.it

a) The Netherland Micro Class nominated a new national measurer:
Lukas van der Heeden, email: lukas@heeden.nl

3. World Championship 2020

The Micro World Championship 2020 in Poland was cancelled. Reason was the Covid 19 Pandemie.

4. Current member of the TC

There are no changes in the list of the current member of the TC.
